RE: INFORMATION AND WATER & SEWER RATES FOR 2018

This correspondence will provide you with the billing structure and rates for water and sewer districts during the 2018 calendar year. Please retain this information for your records.

For tax preparation purposes, your portion of the interest paid during 2017 on the debt for the water was \$79.37 and \$14.91 for the sewer district. Please consult with your tax advisor as to the deductibility of these costs.

BREWSTER HEIGHTS WATER DISTRICT

For calendar year 2017, actual revenues were not sufficient to meet expenditures for the district. The district applied \$52,844 in principal against \$790,809 of debt the district maintains from capital improvements.

For 2018, water rates will remain the same.

The operations budget for the water system is \$287,811 in 2018. Debt service adds an additional \$85,647. The operation budget is represented in the following components:

<u>Quarterly Rate</u> (with prior year comparison)	<u>2016</u>	<u>2017</u>	<u>2018</u>
• Flat Rate per Quarter	\$270.00	\$270.00	\$270.00
• Allowance per Quarter	17,500	17,500	17,500
• Cost per Gallon, above allowance	.010	.010	.010

Each quarter, all accounts will be billed for the flat rate which includes usage up to 17,500 gallons. The flat rate encompasses Debt Services and Operation & Maintenance costs.

Prior to the January, April, July and October billings, water meters will be read to determine water use for each account. Bills will be prepared and reflect the amount of water used during the previous period. **Your cost will be directly affected by your water consumption.**

Hydrant Flushing

Hydrant flushing is scheduled for April 18th – April 19th, July 11th – July 12th and October 10th - 11th. During periods when hydrants are flushed you may experience the following:

- Discolored or dirty water. Avoid doing laundry or dishwashing on flushing day.

You should:

- Turn off your icemaker in your refrigerator if you have until after you flush as instructed below.
- After pressure returns, run water until clear. Clean filter screen at faucets.

BREWSTER HEIGHTS SEWER DISTRICT:
